

# Grandview Legion

## LFS 350 Legion Food System Community Project

### Grandview Legion

- ★ The Royal Canadian Legion branch #179 is an active space that serves military families, veterans and RCMP members.
- ★ Located near the southernmost boundary of the Grandview-Woodland area.

### Grandview-Woodland Community

lower average income & increasing senior population

### ? Why?

- ★ Untapped potential
- ★ Common goal: more involvement!

## Objectives & Methods

In-depth Interview

Use an asset-based approach to...

1. Asses state of kitchen infrastructure
2. Asses the legion's food related activities and community programming
3. Determine the link between the legion's food related goals and the Vancouver Food Strategy goals

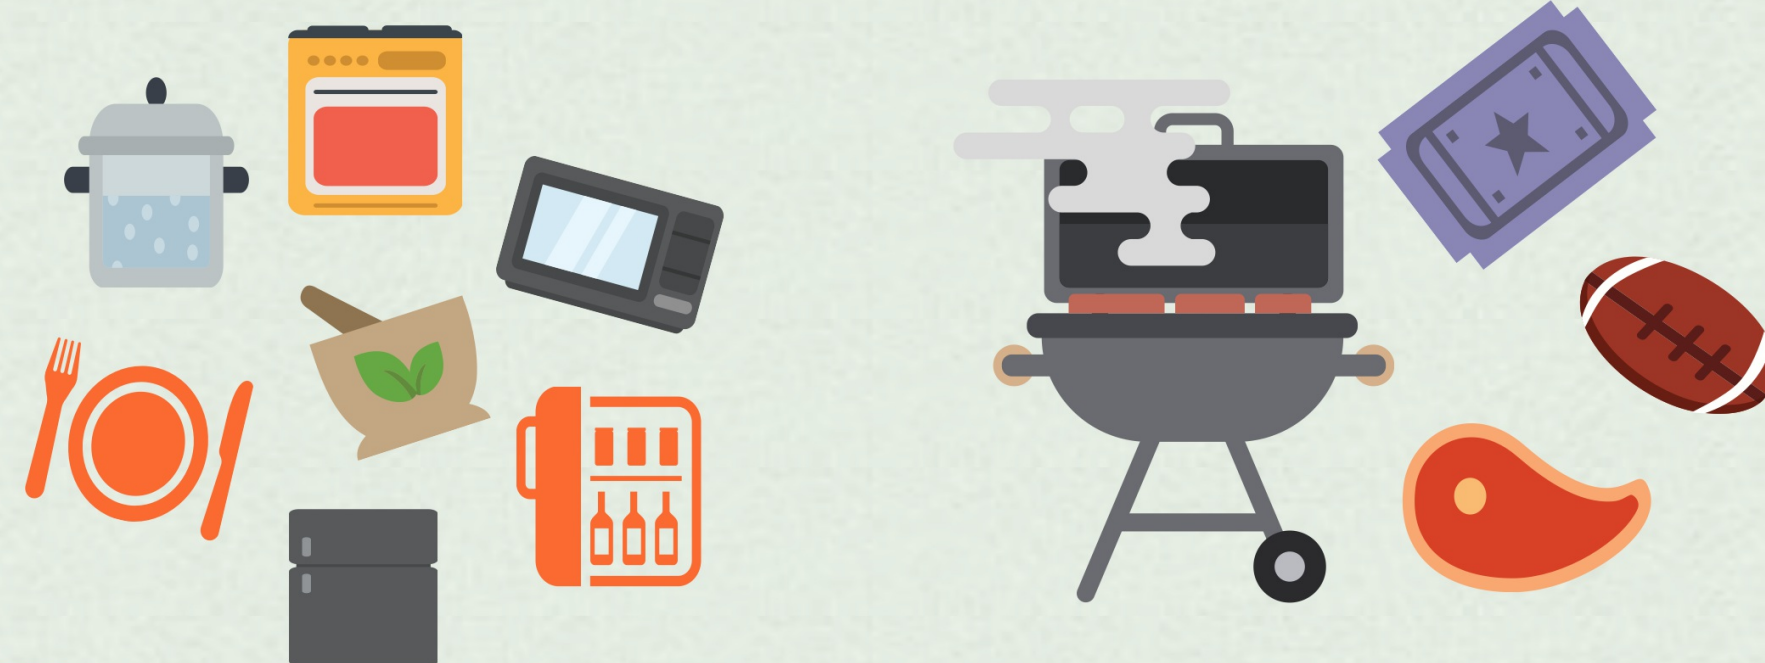

Observations

Archival Research

## Outcomes & Discussion

"We have people who choose to have basically any celebration they have they have in here."

- 1 Fully Equipped Kitchen Infrastructure
- 2 Community Events
- 3 Vancouver Food Strategy

## Take-Home Message

👍 infrastructure + 👉 potential = ✨ candidate for achievement of Vancouver Food Strategy Goals  
 Food Related Events play a critical role in the community
