

Vancouver Food Asset Map

UBC FOOD ASSETS

Food Insecurity

Not having the availability, accessibility, and affordability to safe, nutritious, and sustainable foods for everyone at all times

THE ISSUE

 **11.8% (1 in 9) Households in BC**
 **39% Students in Canada**
 **45% LFS students in UBC**

WHAT

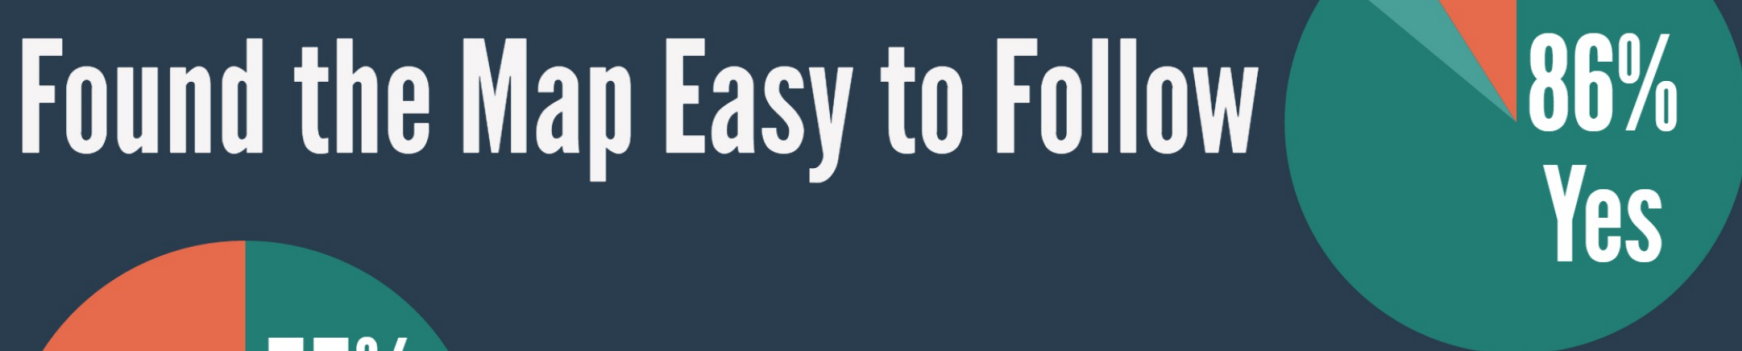

A tool that displays places where people can grow, prepare, share, buy, receive, and learn about food in the city of Vancouver.

WHY

To build capacity and support food access for community members dealing with food insecurity.

WHO

Targeting low income and food insecure populations in UBC and UBC endowment lands

DATA COLLECTION & SUGGESTIONS

13 Updated UBC food assets

22 Community Responses

1. Make the map easier to use/understand
2. Add pictures for each food asset location
3. Make the assets more visible/easier to find

TAKE HOME MESSAGES

1. Vancouver food asset map is a great tool to help solve the problem of food insecurity.
2. Please use and share the map!
