In partnership with Vancouver Coastal Health

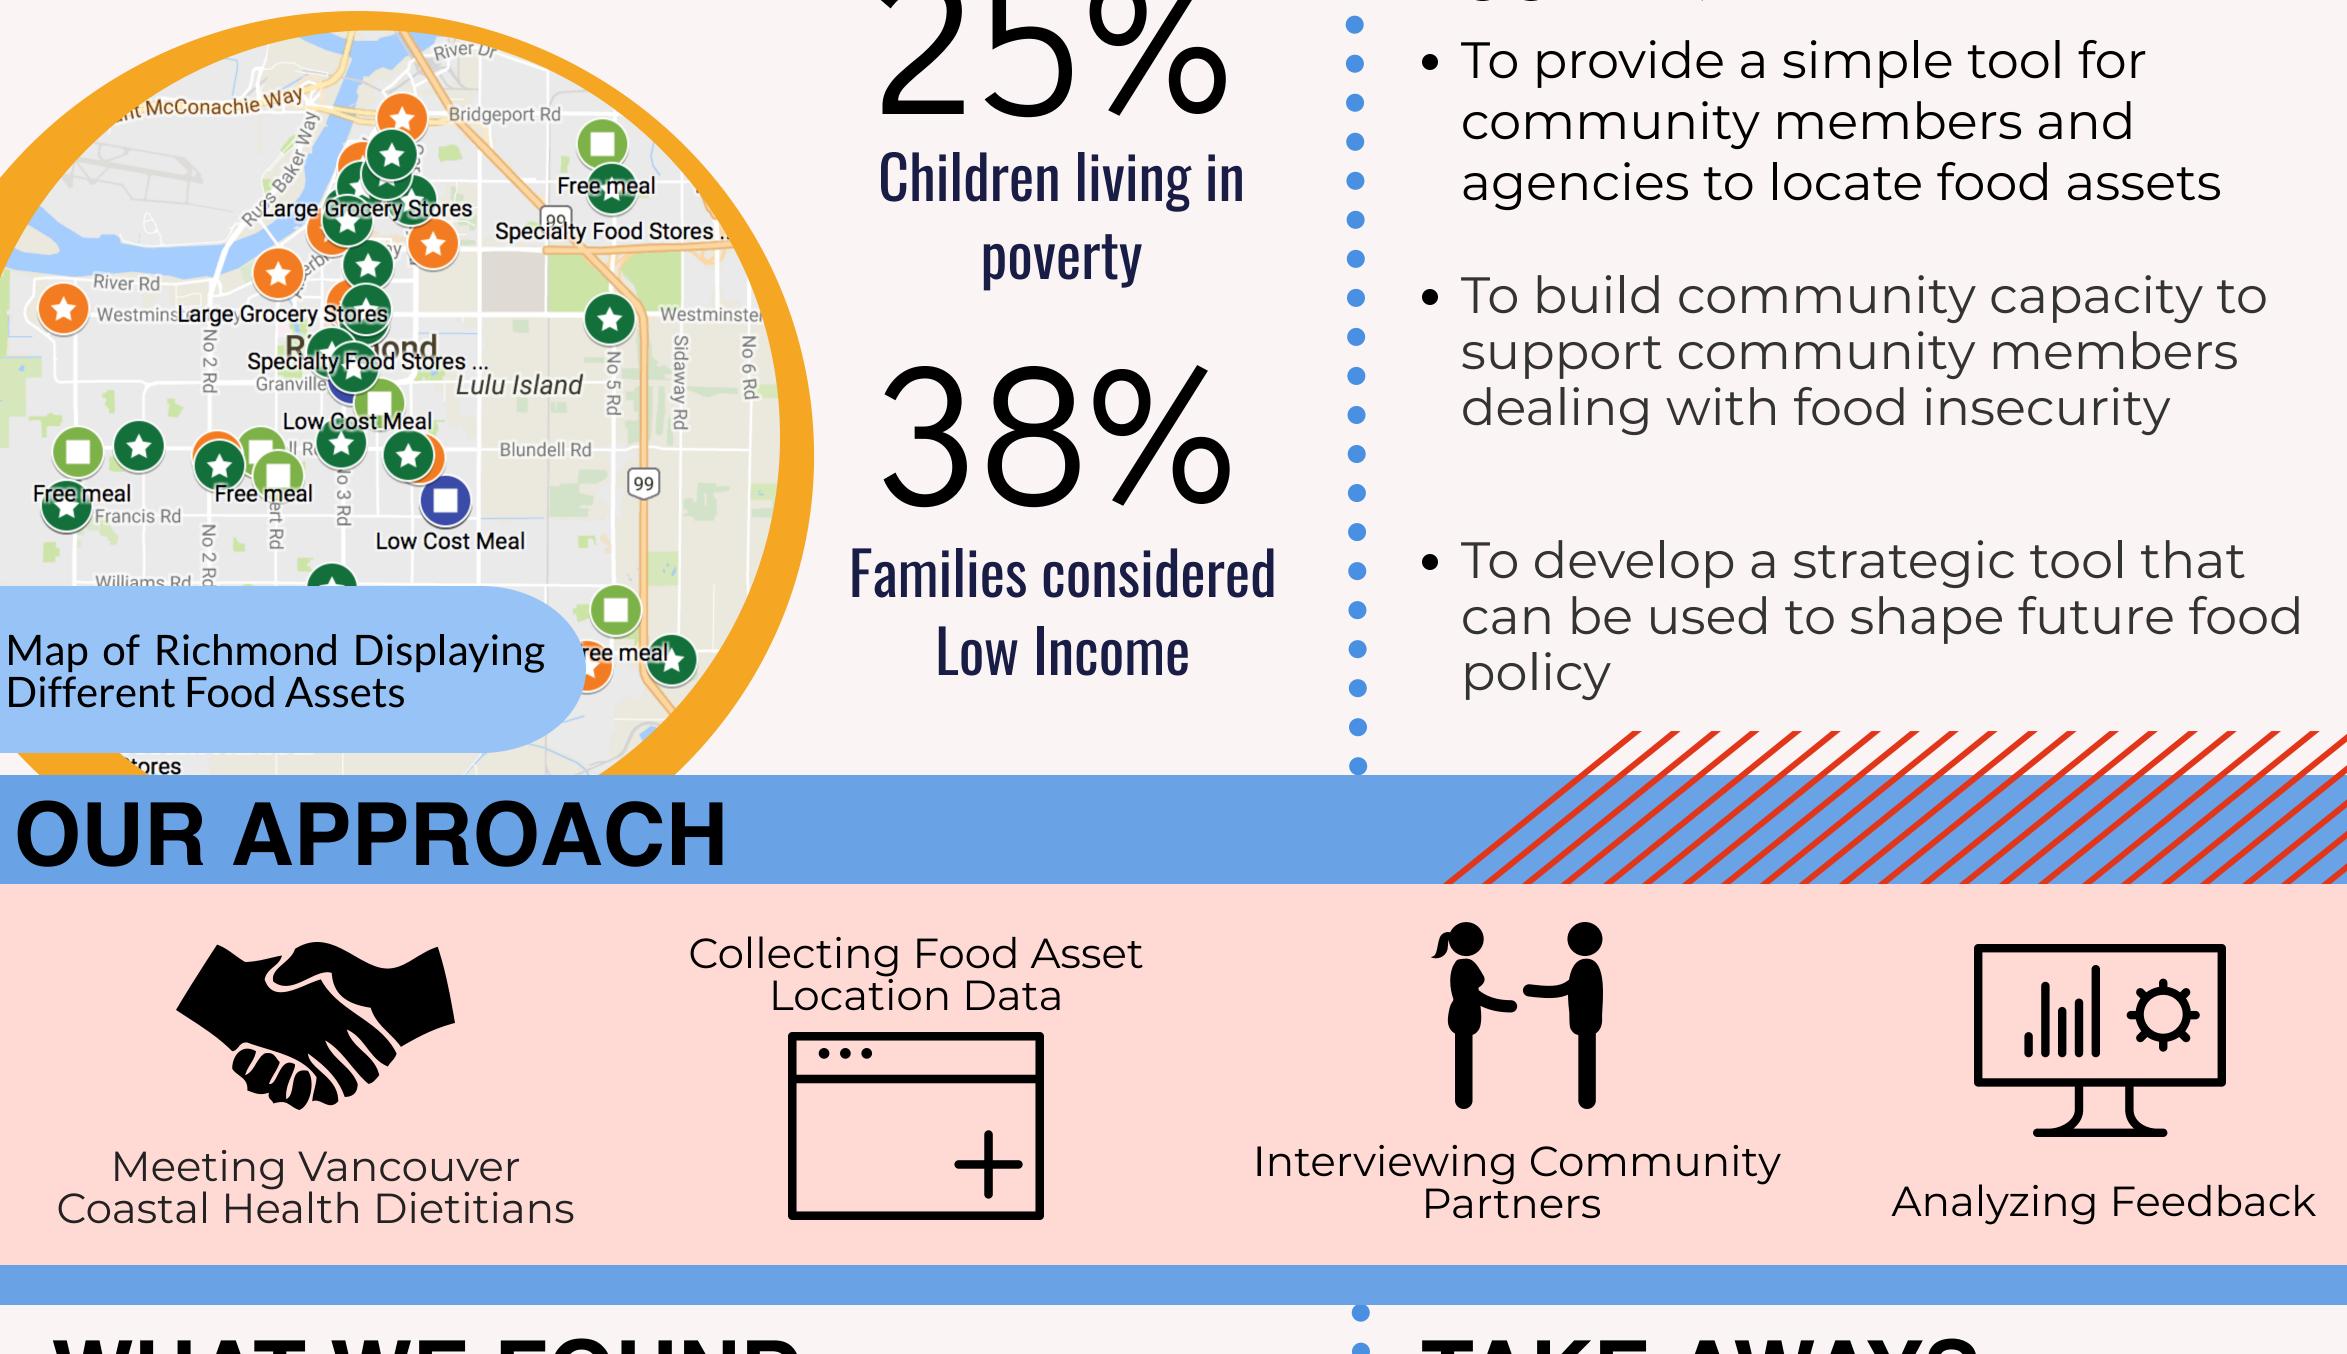

RICHMOND FOOD ASSET MAP

Grocery Stores and Specialty Markets

4,000,000

Canadians do not know where their next meal will come from.

1 in 6 children live in food-insecure households in Canada

FOOD **INSECURITY &** THE CITY OF RICHMOND

25%

OUR OBJECTIVE

- Gathering and updating information about current grocery stores
- Obtaining feedback from community partners who may use the map

GOALS OF THE **ASSET MAP**

WHAT WE FOUND

We talked to three practicing dietitians who have wither worked or lived in the City of Richmond

TAKE AWAYS

- A larger focus on free/low cost meals
- Translations in more languages

"We want to see an integrated print function and options to save certain assets to a favorites list."

The RFAM is a compass for the residents of Richmond to access the food that fits their budget and nutritional needs.

However, the tool does not directly eliminate the economic constraints on food insecure houseolds

The Map! Our Blog!
